Experience

Mathematics Tutor: *Kipp NYC College Prep High School*, December 2012 – June 2013
- Tutored 3 classrooms of around 30 students grades 10-12 at a charter school in Harlem, NYC.
- Instructed students in Geometry, Intermediate Algebra, and Precalculus.

Course Assistant: *Teachers College, Columbia University*, *Dr. Henry O. Pollak*, January 2012 - May 2012
- Assisted Dr. Henry O. Pollak, former director of Bell Labs' Mathematics and Statistics Research Center, in a graduate Combinatorics course.
- Tutored students in Combinatorics
- Provided feedback on lectures.

Sales Associate: *Body Time, September 2010 – August 2011*
- Interacted with and served customers in order to meet a quota of 10% over the previous fiscal year.
- Created and designed custom perfume blends in response to user feedback.
- Managed cash flow for Shattuck Avenue location, and compiled report on monthly progress.

Intern: *Geena Davis Institute on Gender in Media*, Fall 2007
- Researched animation departments at various universities in order to establish collaborative relationships.
- Created a sample public service announcement for an upcoming campaign to address gender disparity in children's media.
- Represented public face of the organization at donor functions.

Volunteer Experience

Assistant to Director: *San Diego Stand Down for Homeless Veterans*, Summer 2002 - present
- Establish a 3-day camp for homeless veterans to easily access social services and help recover from the difficulties of being a veteran living on the streets.
- Ensure program is running smoothly by making announcements to the camp, checking in with participants, and helping handle any conflicts that may arise.
- Convey important information to director.
- Help create and maintain a safe and respectful community for participants.
